*Priorities*

2017 - 2018

School governors to have more input into the church self-evaluation document

To send out half-termly values newsletters to help support our values homework

We will continue with Open the Book worship

Give children more opportunity to lead worship

To launch new Understanding Christianity Curriculum

To rename RE to Beliefs and Values.

To produce more reflective art

Begin to give children the opportunity to observe and reflect on worship

We will train our teachers to be more confident in thinking deeper about the meaning of values
