Smoothie Bike Activity

In preparation for Sports Day, pupils will take part in a smoothie bike activity earlier in the week. Children will create fresh fruit smoothies by pedalling to power the blender.

A huge thank you to all our parents for your continued support and understanding this week. We appreciate your patience with the recent changes, particularly during the hot weather adjustments. The children's wellbeing has remained at the heart of every decision, and we are grateful for your cooperation in helping us ensure they are safe, comfortable, and cared for throughout.
