

RESILIENCE

FRIDAY 11TH SEPTEMBER 2026

EXCELLENCE

I am delighted to introduce myself as the new Headteacher of St John's CE Primary Academy.

With over 20 years of experience in primary education, I am passionate about nurturing young minds and helping every child achieve their very best. As we begin this new chapter together, my vision is for St John's to continue to be a vibrant, nurturing environment where every pupil feels safe, valued, and inspired to succeed.

AGAPE

Key priorities for our school community include:

- Wellbeing: Placing happiness, safety, and mental health at the heart of everything we do.
- High Standards: Striving for excellence in teaching and learning across all areas of the curriculum and children attending school every day.
- Strong Community: Building positive, collaborative relationships between school, home, and the wider community.
- Inclusive Education: Ensuring every child receives the tailored support and opportunities they need to thrive.

Working Together

I strongly believe that a successful partnership between home and school is key to our children's achievements. I am committed to maintaining open, regular communication and welcome your feedback and ideas.
