ST. JOHN'S CE PRIMARY ACADEMY
RACE EQUALITY POLICY

1. Rationale

At St. John's CE Primary Academy we are committed to tackling racial discrimination, promoting equality of opportunity, good race relations and safeguard all our pupils. Our Christian ethos encourages everyone to find and use the gifts that God has given us, treating everyone with equal respect, whatever their faith, origin or ability.

2. Introduction

In April 2011, the Equality Act 2010 came into force. This Act ensures discriminations (direct and indirect); harassment and victimisation are challenged to ensure equality. This policy, along with the Anti-bullying Policy, SEN & Disability Policy, Equal Opportunities Policy and Discipline and Behaviour Policy, is written and reviewed in light of this Act to ensure the academy is fulfilling its statutory duty.

3. Commitment

Our academy actively promotes race equality; opposes racism in all its forms and fosters positive attitudes. Through this, we provide a positive learning and teaching environment for the academy community as a whole. We do this by:

- ❖ Treating all those in the academy community (e.g. pupils, staff, governors, parents and the community) as individuals who are respected and valued for their abilities, beliefs, experiences, aspirations and potential.
- ❖ Achieving a culture where Every Child Matters and plays a positive and active part within the community.
- ❖ Creating an academy ethos which promotes and reflects racial equality develops understanding and challenges myths, stereotypes, misconceptions and prejudices.
- ❖ Encouraging everyone in the academy community to have a positive self image and high self esteem so that they develop their full potential.
- ❖ Having high expectations of all the academy community and helping one another fulfil their aspirations.
- ❖ Facing equality issues openly, positively, effectively and promptly always logging and recording issues and sanctioning pupils according to the academy discipline and behaviour policy.
- ❖ Identifying and removing practices, procedures and customs which discriminate on racial grounds.
- ❖ Monitoring, evaluating and reviewing outcomes to secure continuous improvements in all that we do.
- ❖ Valuing the achievements and progress of pupils from all ethnic groups.
- ❖ Being open and fully accountable about our policy, its implementation and its effects.

RACE EQUALITY GUIDELINES

Roles and Responsibilities

Promoting race equality and raising the achievement of all pupils is the responsibility of the whole academy. These guidelines outline the roles and responsibilities of everyone involved and connected with the academy so that everyone knows what is expected of them.

Governors

The governing body review the policy on an annual basis and monitor the impact of the policy. The Governing body will communicate the progress of its review to the staff and to parent representatives.

Principal

The Principal demonstrates through personal leadership the importance of this policy. She ensures that all staff are aware of it and understand their roles and responsibilities. The Principal is responsible to ensure the procedures of race equality are followed and reported to the Governors, CECET, LA and PIO and Parents. This reporting is recorded and/or minuted and forms part of the evidence base for the effective implementation of the Equality Act 2010.

Pupils

Pupils will contribute to the development of the race equality policy and be made aware how it applies to them. They will be encouraged to treat each other with respect and to report incidents of a racial nature to an adult.

4. Monitoring the race equality plan

Our academy monitors the impact of this policy on pupils from different ethnic groups; we monitor the impact of our policies on the attainment levels of all our pupils. We collect information about pupils' performance and progress, including by ethnic groups. We will analyse it and use it to examine trends.

Monitoring information helps us to:

- ❖ Ask why these differences exist and test the explanations given
- ❖ Highlight any differences between pupils from different groups
- ❖ Decide what further action will be necessary to meet particular needs and to improve the performance of pupils from different ethnic groups
- ❖ Take action to make improvements, report statistics to governors and identify trends.

5. Assessing the impact of the policy

We assess the effectiveness of our policy on pupils from different ethnic groups through existing arrangements for developing and reviewing other academy policies.

6. Complaints Procedure

If any governor, member of staff, pupil or parent feels this policy is not being fully implemented, then they should raise the matter with the Principal who will take appropriate action. This may include an investigation and a report on the issue. If there is a formal complaint then the academy's normal complaint procedure will be used. All complaints will be recorded and copied to the Academy Trust for information.

7. Declaration of responsibility

The Policy will be reviewed at bi - annual intervals by the academy governors.
